

7 Day Individual Soul Quest @ Mt. Peale Animal Sanctuary and Healing Center

(Mile Mark 14 on Hwy 46
in Old La Sal, UT)

**Winter – A time of germination and restoration.
November 2018 – February 2019**

We invite you to join us this winter for healing, germination, reflection and restoration. Winter is a time of germination, a time that we sow the seeds of the future so they may blossom in Springtime. There is so much magic in Wintertime, the seeds we have planted and allow to germinate during this season have unimaginable potential for growth. Winter is also a time for reflection, a time to call in bear medicine to move deeper into the unconscious and bring forth a greater awareness for the coming seasons.

In the indigenous traditions the number 7 is a spiritual number representing “God time.” The work we will be doing during these 7 days is done on the sacred ground and sites of the La Sal Mountains and the sacred land of the Red Rock Desert.

Cost: \$800 – Payment Plans Available (Includes all lodging on and off site)

Pick your own dates: Call or email for more information, a list of items to bring (including food) and to set a date for your retreat.
